WHA DAILY NEWS MAY 2024

Dear Resident:

Spring is right around the corner, and soon it will be summer. Make sure that you test your A/C units early before we get the heat wave. Nothing is worse than a heat wave in your home and having to wait for your A/C to get fixed.

Querido residente:

La primavera está a la vuelta de la esquina y pronto será verano. Asegúrate de probar tus unidades de aire acondicionado antes de que tengamos la ola de calor. Nada es peor que una ola de calor en su hogar y tener que

**Maintenance Tip:**

Air Conditioners: If your air conditioner leaks frequently here is a tip that may help; If the temperature is cooler outside than it is in your unit and you leave your A/C on for an extended period of time, it will freeze up. When it unfreezes the leakage occurs. To prevent freezing set your A/C at 70 instead of 66 or 68.

Consejo de mantenimiento:

Acondicionadores de aire: si su aire acondicionado gotea con frecuencia aquí hay un consejo que puede ayudar; Si la temperatura es más fría afuera de lo que está en su unidad y deja su A/C encendido durante un período prolongado de tiempo, se congelará. Cuando se descongela, se produce la fuga. Para evitar la congelación, tiene A/C a 70 en lugar de 66 o 68.
